## WNYDA SPRING RIDING CLINIC WITH AGNIESZKA MAJEWSKA

WNYDA is fortunate to host our inaugural Spring Dressage Riding Clinic with Agnieszka “Agnes” Majewska at the lovely new Houghton College Equestrian Arena on Saturday and Sunday, April 13<sup>th</sup> and 14<sup>th</sup>. Agnes is one of only a handful of three star judges in the United States that travel the world to judge various international competitions.

Agnes gained her early experience in her native Poland by training athletes and horses through all of the levels at one of the most prestigious Dressage facilities in Poland while at the same time actively competing horses from basic levels all the way up through Grand Prix. Not only is Agnes a three star Dressage judge, but she has had the prestigious distinction of being named as the Trainer of the Jr/Young Riders Team and then Second Trainer of the Adult Team while still in her native Poland.

Agnes relocated to Florida in 2012 where she has a full schedule of training and judging. Agnes’ education in breeding and teaching and her vast experience make her a favorite of riders and auditors everywhere.
