*The Western New York Dressage Association
Presents our Fall Symposium*

“Dancing with your Horse: Improving Harmony with Your Partner through Better Balance”

**October 21st and 22nd, 2023 - Featuring
Olympian Jacqueline Brooks**

JACQUELINE BROOKS, two-time Olympian (2008 and 2012), has been a dressage competitor, trainer and coach for more than 25 years. During that time, she has qualified for six Canadian Teams; 1 PanAm (Team Silver Medal), 1 WEG, 2 World Cup, and 2 Olympic Teams on two different horses; Gran Gesto and D-Niro, better known as "Goose". She has trained more than 20 dressage horses to Grand Prix and is an Equestrian Canada certified Competition Coach Specialist who has helped numerous young riders and adult competitors of all equestrian disciplines achieve success in the ring.

Jacque is the Head Trainer at Brookhaven Dressage, located just outside of Newmarket Ontario, which she owns and operates in partnership with her mother and biggest fan, Mary. There she welcomes clients in full or partial training and ship-ins for single lessons or short-term stays. She also coaches several competitors online. Jacque can be found quite often as a guest clinician across North America sharing her expertise and experience to packed audiences. Jacque's encouraging and sympathetic teaching style that puts the horse's mental and physical health first has made her a popular clinician everywhere she goes.

The Symposium will showcase demo riders from Training through FEI levels. Sessions will be geared towards auditors, with an overlying theme throughout the rides and opportunity for Q&A.

DATE: October 21st – 22nd, 2023

LOCATION: Hamburg Fair Grounds, Hamburg, NY – All activities at the ShowPlex Complex

TIME: 8 am – 5 pm

DEMO RIDERS: We will be looking for Demo Riders and Horses to demonstrate concepts. Stay tuned to the WNYDA Website and WNYDA Facebook page for further information. Note: WNYDA members with WNYDA volunteer experience will be given preference as Demo Riders for this event.

AUDITORS: This is an auditor- based event. Preregistration is strongly recommended

COVID-19 PRECAUTIONS: WNYDA will be following current governmental, USEF, and USDF guidelines and precautions.

For more information, please contact Dr.Lauren Adelizi at LJDembkoski@yahoo.com and for updates on the Symposium, check the WNYDA website (WWW.WNYDA.ORG) and the WNYDA Facebook page.
